# Important Safety Instructions

## **READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS BEFORE USING THIS APPLIANCE**

**DO NOT** immerse in water.

**DO NOT** use household cleaners on this product. Risk of electric shock. This product is not a toy and should be handled by adults only.

Plug into a properly functioning 120-volt electrical outlet in the upright position.

**DO NOT** use with extension cords.

**DO NOT** block the Advanced Waterless Vaporizer airflow.

**DO NOT** place exposed pad on furniture, fabrics, bedding and plastics.

**RECOMMENDED USAGE:** Not recommended for infants under 10 pounds.

For children between 10-22 pounds do not use more than 2 pads in a 24 hour period.

 **CAUTION: Risk of Electric Shock and Fire Hazard. Contact with exposed pad may cause eye irritation.**

In case of contact with eyes, flush with water immediately. If eye irritation persists, consult a doctor.

**DO NOT** touch exposed pad with skin. In case of contact with skin, wash area immediately with plenty of water.

Pad is not to be taken internally.

 **WARNING: PAD MAY PRESENT A CHOKING HAZARD. KEEP OUT OF REACH OF CHILDREN AND PETS.**

# Vicks Advanced Waterless Vaporizer

(Model V1750)

## **How it Works:**

The Advanced Waterless Vaporizer works by heat, activating the soothing vapors in the Vicks VapoPad and releasing them in the air.

Use up to two pads for long lasting scent

Soft, adjustable, glowing nightlight

Variable intensity settings

## **For best results:**

Plug unit in outlet closest to user.

Allow 30-60 minutes for vapors to fill the room.

**Use only with Vicks VapoPads** VSP-19, VVP-6, VBR-5

VSP-19 VapoPad Ingredients: Eucalyptus Oil, Menthol, Glycol, Cedar Leaf Oil & Others

## Directions for Use:

1. Tear scent pad pouch at notch to expose pad. **DO NOT** touch exposed pad directly. If you do touch pad, be sure to wash hands thoroughly.
2. Slide side tabs up to furthest position.
3. Insert 1 or 2 VapoPads into the top slots of the Advanced Waterless Vaporizer. Insert scent pad with angled side facing downward into the scent pad slot. Using the side tabs slide the VapoPad down into the unit.
4. Vapor intensity can be controlled by sliding side tabs up or down. The further down, the softer the vapor release intensity. The higher up, the stronger the vapor release intensity.
5. Plug the Advanced Waterless Vaporizer directly into a 120V electrical wall outlet.
6. Replace pads after 8 hours on high, 12 hours on medium, 16 hours on low.

## Nightlight Control:

The nightlight is always on when unit is plugged into a wall outlet. Nightlight brightness can be controlled by sliding shield over light.

## Replacing Pads:

1. Unplug the Advanced Waterless Vaporizer.
2. Slide side tabs to highest position to expose VapoPads.
3. Gently shake or pull out used VapoPads and discard.
4. Open refill VapoPads and insert as described above.

## Cleaning instructions:

If there is any residue from VapoPads built up on the unit, unplug the unit and wipe clean with a dry cloth.

**DO NOT** use any household cleaners and **DO NOT** immerse in water to clean.

**DO NOT** use any other pads or oils with the Vicks Advanced Waterless Vaporizer.

**DO NOT** place more than one pad in each slot. A light layer of oil may form on the Advanced Waterless Vaporizer. Should this occur, unplug the unit and wipe with a dry cloth.
